

Whittier Moves Transportation Master Plan

Prince William Sound

1. What routes do you usually take when walking or biking?
2. Are there any routes you avoid when walking or biking? If so, why? (safety, traffic, weather, etc.)
3. Besides home, what are the main places you go in town? (parks, stores, recreation areas)
4. Are there areas in town you try to avoid?
5. If you could add one thing to make getting around better for young people, what would it be?
